## Flex-Weld / Keflex In The News

Flex-Weld has been named one of the 101 Best and Brightest Companies to work for in the Chicago region for 2013!

The "101 Best and Brightest Companies to Work For™", a program of the National Association for Business Resources is presented annually in several markets: Detroit, Chicago, Atlanta, Houston, West Michigan and Nationally.

An independent research firm evaluates each company's entry based on key measures in various categories. They include Compensation, Benefits and Employee Solutions; Employee Enrichment, Engagement and Retention; Employee Education and Development; Recruitment, Selection and Orientation; Employee Achievement and Recognition; Communication and Shared Vision; Diversity and Inclusion; Work-Life Balance; Community Initiatives; Strategic Company Performance and the Best of the Best Small Business.

The winning 101 companies also vie for 11 elite awards, one granted for each category. Also, an overall winner that excelled in all categories will be honored with a "Best of the Best Overall" award. The elite award winners will be announced during the award presentation on August 5th.

Congratulations to everyone in the Flex-Weld family for winning this prestigious award!
